

# **Starkville Christian Home Educators BEST Robotics Team**

Starkville Christian Home Educators (SCHE) is entering a team in the BEST Robotics competition, which is a national competition for middle and high school students. The competition seeks to prepare students and encourage them towards an engineering field. It is entirely student driven where they design and build a robot to perform a particular task, within one month, that is assigned at the start of the competition.

In addition to building the robot, part of the competition is to market the robot. We are looking for businesses to sponsor the team to help with the cost of presentation materials and any travel expenses. Sponsor logos will be placed on the team T-shirts, display materials, and marketing information.

Thanks to sponsors like yourself, SCHE is developing a history of excellence. In the 2009 season, SCHE placed first in the BEST award in the Bulldog BEST competition held at Mississippi State. With your help, we hope to continue building on our success.

On behalf of the SCHE Robotics team, we would like to thank you for your consideration in supporting our team. Sponsorships are as follows:

Platinum Sponsors: \$300

Gold Sponsors: \$100

Please make your donation out to: **SCHE Robotics**

Donations can be mailed to: 1201 Hillcrest Circle  
Starkville, MS 39759

Team Leader: Michael Lane (662) 648-9563

Unfortunately, donations are not tax deductible.
